1 SEE 2 DO 3 DO 4 CHECK 5 KEY

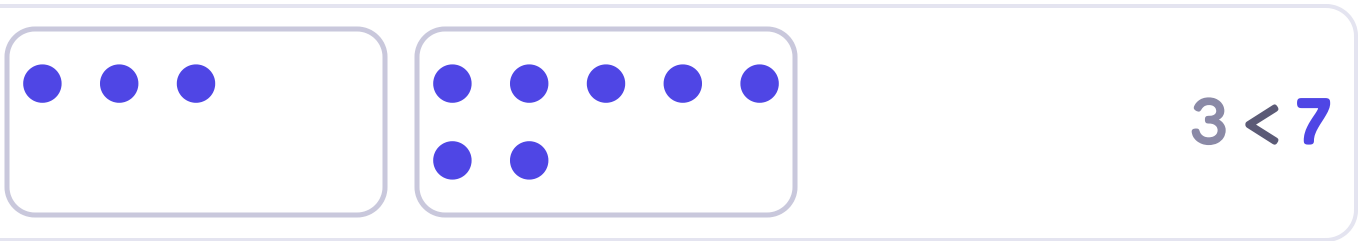

For the grown-up: one page a day, about 5 to 10 minutes, is plenty. Read the instructions aloud. **See** pages are worked examples to talk through, **Do** pages are practice, the **Check** page shows what has stuck. Keep counters or buttons nearby, and praise careful work, not speed.

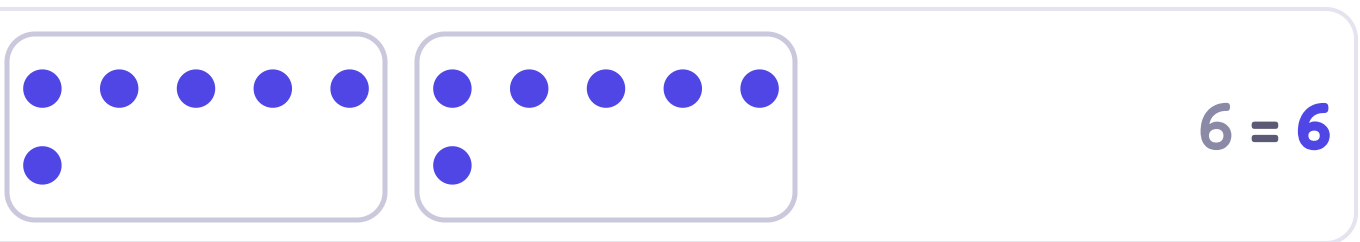

SEE The open side faces the bigger number

> means greater than. < means less than. = means the same. The open side of the sign always faces the bigger number.

Tip: Read it left to right: 8 > 5 is eight is greater than five.
