For the grown-up: one page a day, about 5 to 10 minutes, is plenty. Read the instructions aloud. **See** pages are worked examples to talk through, **Do** pages are practice, the **Check** page shows what has stuck. Keep counters or buttons nearby, and praise careful work, not speed.

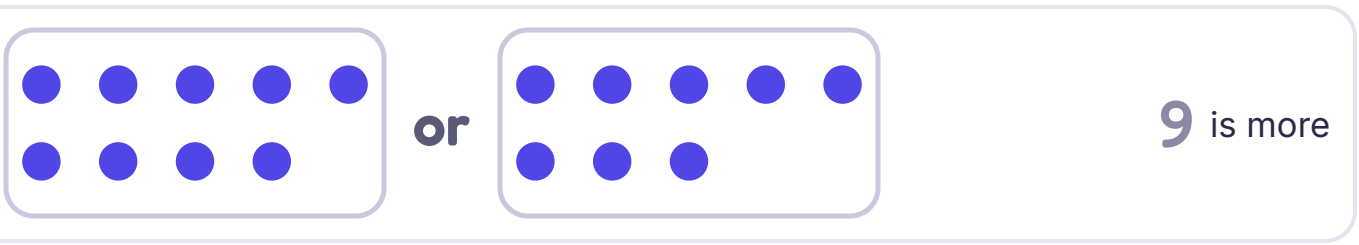

SEE Which has more?

Line up the dots in your head. The group with dots left over has more.

Tip: Use real counters: make the two groups in two rows, one under the other.

DO

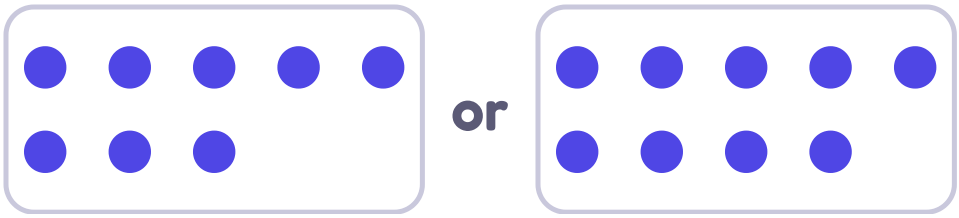

Circle the group with fewer

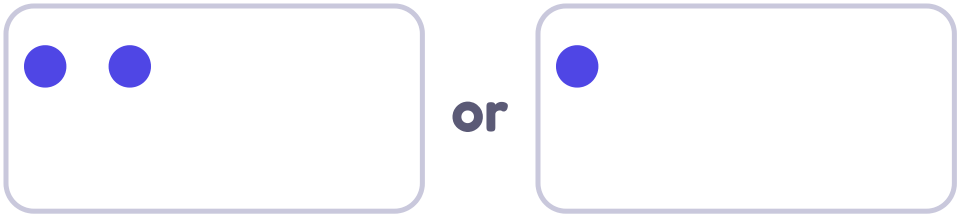

Fewer means less. Circle the group with fewer dots.

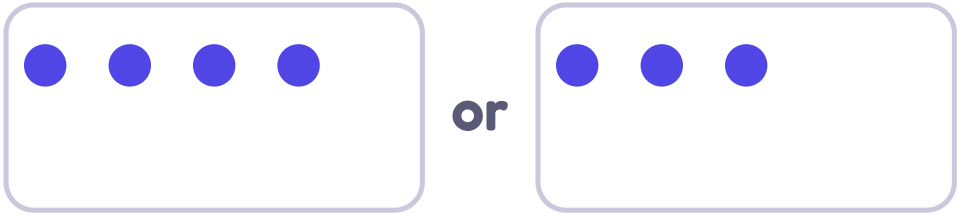

Tip: This one is harder: children often circle the bigger group out of habit. Read the word fewer together first.
